Verification of your Identity and Address

To satisfy the Isle of Man's Insurance (Anti-Money Laundering) Regulations 2008, RL360 are required to check the identity and address of each applicant. For your convenience, a complete checklist of all requirements can be found at the back of this application form.

Guidelines for Satisfactory Evidence

Verification of Identity

Documents that will be accepted as satisfactory evidence of identity are:

- A valid 'full' passport
- A national ID card (carrying a photograph)
- Where the above documents are not available, two formal documents with appropriate reference numbers will be considered.

To confirm your residential address details, the following documentation is acceptable:

- A utility, rates, or council tax bill. Unfortunately, mobile telephone bills are not acceptable as evidence of address.
- An entry in a local telephone directory.
- An extract from the official register of electors.
- A current driving licence (both photographic and printed sections, if applicable).
- A tax assessment document.
- An account statement from a bank or bank credit card. Statements featuring a 'care of' or accommodation address are not acceptable. Non-bank cards, such as store cards are not acceptable.
- Proof of ownership or rental of the residential address.
- Proof of payment for a PO Box service (which must also show the residential address), where the PO Box shown is also your correspondence address.
- A mortgage statement.

Documents for identity and address verification must be the most recent available.

Suitably Certified Copy Documentation

We can accept certification of copy documents by Advisers (IFAs) who hold Terms of Business with us and, where appropriate, have been granted suitable certifier status. Please consult your Adviser to determine if they can certify your documents.

Where suitable certifier status is not held, we will only accept certification by one of the following suitable certifiers:

- Notary public (or equivalent)
- Lawyer
- A formally appointed member of the judiciary
- An employee of RL360
- A commissioner for oaths

The certifier must:

- Sign and date the copy document on all pages
- Print his/her name clearly in capitals underneath the signature
- Record the capacity or position in which they are certifying the document
- Add their company/official stamp or seal

The documents which RL360 receives must contain the original certification stamp. Any costs associated with certifying documentation are at your own expense. We regret that we are unable to accept copies of documents certified by other unconnected parties unless they are one of the persons listed above.

Source of Wealth

The Insurance (Anti-Money Laundering) Regulations 2008 requires all Isle of Man life companies to “make enquiries as to how an applicant has acquired the monies to be used as premium for, or contribution to, a policy.” This reflects the Isle of Man’s commitment to maintaining the highest possible standards of business practice and to counter money laundering and the financing of terrorism.

RL360 has adopted a risk-based approach to comply with current legislation and guidance by risk rating each client as representing Standard, Higher or High Risk. This depends on the product they are applying for, the jurisdiction they are based in, and the jurisdiction where the payment is to be transferred from. Business submitted from a UK source currently falls under Standard Risk and so no documentary evidence is required for a source of funds.

Full details on the source of wealth procedures can be obtained from your Financial Adviser or can be downloaded from www.rl360wrap.com You must complete the annual salary question in full, in all cases and for both applicants as applicable. You must also complete all other relevant questions within this section.
