

# How to complete a top-up

For adviser use only

1. From the Adviser Zone homepage, search for the investor using their name, investor number, or wrapper ID and press 'view.'
2. On the investor summary page, select the product wrapper you want to top-up, then select 'top-up' from the tabs in the top right.

3. You'll now see the steps to complete the top-up on the left-hand side. Some steps will show as completed as this information was entered when the wrapper was created.
4. Under step three, select the investment type and enter the amount to be invested.

**1** Nickname (Optional)  
No nickname set

**2** Investment Types  
Single  
Total : £0.00  
Charges :  
No Regular Investment

**3** Regular Withdrawals  
Edit your regular withdrawals.

### Investment Types

SINGLE

Single Investment(s)

If your client wishes to invest more than their bank's electronic transfer function will allow in a single transaction, you can either split their investment amount into smaller single transactions which will be invested as they are received or enter it as one single investment below and investment will only occur once the final electronic transfer has been received. Investment amount (£)

Adviser Initial Charge

None  Amount  Percentage

ADD ANOTHER INVESTMENT

5. Enter the details of the investment, adding any additional investments under the same type if needed.
6. Select and enter any initial adviser charges.

7. Proceed through the remaining steps to select the investment strategy and access documents.
8. Once you've finished, press 'submit' to go to the online declaration and 'proceed' to agree.
